

Faculty positions in Management Sciences and Business Law

**BREST
BUSINESS
SCHOOL**

Brest Business School is a Grande Ecole of Management focused on e-learning, apprenticeship and international relations. Recognized by the Ministry of Higher Education, Research and Innovation since its creation in 1962, BBS is also a member of the Conference of Grandes Ecoles. The school is commonly ranked among the 3 best schools nationwide for company relations and apprenticeship. The school has 2 bachelors and 10 masters at Brest Campus.

As a member of Weidong Cloud group, an e-learning leader in China and globally, BBS prepares its learners to become future responsible managers and entrepreneurs in a global and increasingly digital world.

Both e-learning and classroom-based programs offer numerous job opportunities in strategic courses: management, finance, business development, HR, marketing, logistics, management control, audit and accounting, international development, business engineering and e-commerce.

BBS also supports professionals in their development, communication and brand building.

For more information, please visit <https://brest-bs.com/>

As part of its development, BBS is currently offering many full-time positions for Assistant, Associate, or Full Professors levels. Faculty contribute to teaching, research, service to the institution, and societal engagement.

BBS invites qualified applicants for a permanent position in the following disciplines on all its campuses:

- **Management – Strategic, Human Resource, Organizational Behavior, etc.**
- **Supply Chain Management (i.e., Operation management, logistics, purchasing)**
- **Management Control and Finance**
- **Marketing**
- **Business Law / International Law**

Profiles with a focus on digitization, and/or sustainability, CSR issues are of specific interest. Profiles that master one accreditation process: AACSB ; AMBA ; Lucie 2600 ; PRME label are of specific interest.

BBS offers an equal and inclusive workplace and an international and collegial research environment.

The successful candidates will be eligible for benefits outlined in French laws and agreements, as well as additional benefits provided by BBS. These may include a competitive compensation package and performance-based incentives depending on publications in highly ranked journals, tailored to the specific role and qualifications of the candidate.

The positions are available to start in September 2023 or at the earliest mutually agreed-upon date.

Profile & Skills required

- Ph.D. in a business-related field from French or recognized international University.
- Proven ability to teach and develop quality courses at different levels (in English and French – proficiency in a third language would be an advantage especially Mandarin) and digital courses.
- Proven ability to publish in peer-reviewed international academic journals (ABS, FNEGE and HCERES rankings).
- Willingness to contribute to school life and its programs development and digitization.
- Priority will be given to candidates that fit into the research axes of the school and with international experience.
- Fluent English and French, a third language especially **Mandarin** will be welcome.

Applicant file

Candidates should submit by 30 April 2023 one PDF file entitled (NAME_Faculty_Speciality) including these elements:

- a cover letter highlighting how the applicant meets the relevant qualifications,
- a curriculum vitae (including the contact information of three referees),
- a research and teaching statement,
- a copy of relevant diploma: PhD, Master, etc. (foreign diploma should be translated in French or English) and experience certificates.
- three representative publications or working papers,

All documents should be in English and/or French.
